Thank You: The Rengifo family wants to thank Lakeview Church for its gracious assistance to us during the difficult passing of their father, uncle, and husband. There were so many ways by which you ministered to us, including Rene's timely anointing, and we will never be able to repay your kindnesses. God bless each one of you.

In addition, our family wants to thank those who ministered to Aida, during the time of her accident in the church parking lot. There were so many of you who were there holding her hand when it happened, gave her hydrotherapy treatments, brought her food, prayed, visited, texted, called and sent cards. God bless this church with their good and faithful servants and its leadership.
